RE: Special 2000 Hot Wheels Fire Department Series

Dear Mr. Dillahunty:

Please find enclosed an original signed authorization, our District logo, and an official badge. I hope these will help you in creating your new Hot Wheels Fire Rod series.

If you need any additional information or graphics, please contact me. Also, we would like the District logo and badge returned when you are finished with them. Otherwise, thank you for including us in your program, and we look forward to seeing the final product.

Sincerely,

Rick Probert  
Chief
