

# HOW TO REQUEST REAL ESTATE DEFENSIBLE SPACE INSPECTIONS

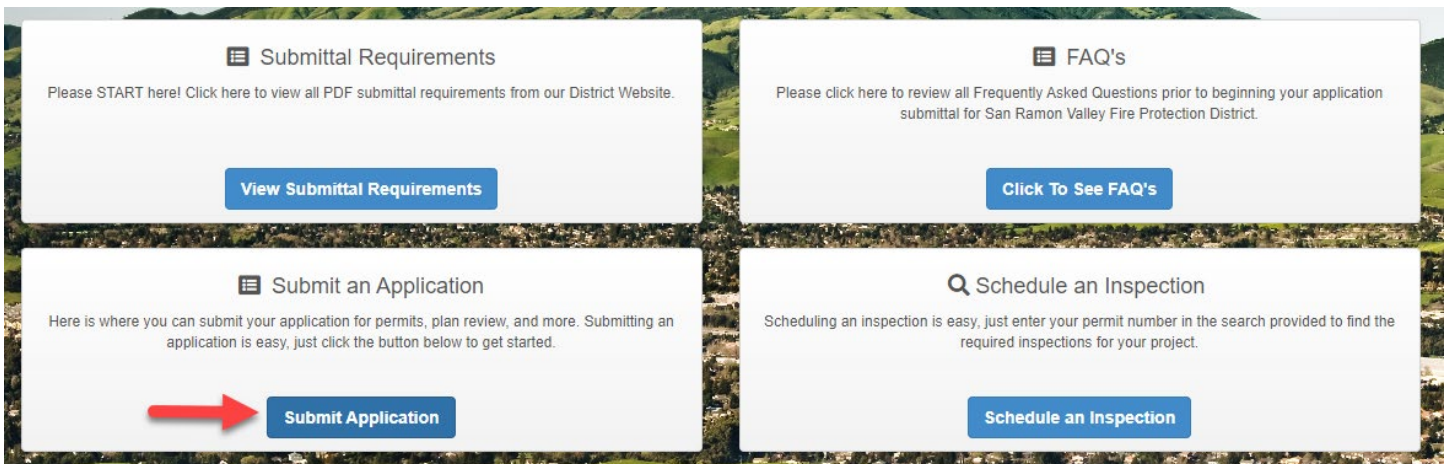

Follow these steps to request a Real Estate Defensible Space Inspection. These inspections are required when the seller of real property located in a high or very high fire severity zone within the State Responsibility Area (SRA) or a very high fire severity zone within the Local Responsibility Area (LRA), to provide the buyer with documentation stating the property is in compliance with the requirements of local vegetation management ordinances.

Click on this link <https://firedepartment.geocivix.com/secure/> to get to the San Ramon Valley Fire Protection District portal.

If you have never used this system, you'll need to register by clicking register first. Once you have registered, click Sign In.

Click on Submit application.

**Under Application Type select Real Estate Defensible Space Inspections.**

The screenshot displays a 'Plan Review Submittal' process flow with four steps: Application, Upload Files, Fees, and Confirm and Submit. The 'Application' step is currently active. Below the progress bar is a 'Project Overview' section. Under the heading 'Application Type', a dropdown menu is open, showing a list of application categories. The option 'Real Estate Defensible Space Inspections' is highlighted in blue. To the right of the dropdown is a 'Help me choose' button.
